1. Simmons is the go-to organization for the voice of women in Business and a recognized community of accomplished business and community leaders!

2. Develop a more engaged community that reflects a reciprocal relationship between SOM and alumnae community. This vision incorporates a holistic approach to women’s journeys in their professional and personal lives.

3. SOM alumnae run the world (with principled leadership and sustainable practices, of course!)

4. With a powerful legacy fueling international recognition, we are a global community of women recreating the world.

5. Simmons prepares women to seek, unlock, and design their energetic and bright futures.
