1. Think back 10 years to the time you were graduating from the SOM. How has the MBA and the SOM experience influenced your career? Is it different than you anticipated? How?

2. If you could name only one all-time favorite memory from your SOM experience, what would it be? Or, write a Haiku * that summarizes your SOM experience. (*a Haiku is a 3 line poem, the first line has 5 syllables, the second line has 7 syllables, the 3rd line has 5 syllables. No other rules, so get those creative juices flowing!)
