PURPOSE
The Office of Spiritual Life (OSL) supports the religious and spiritual wellness of Simmons students and seeks to foster their emotional health while encouraging intellectual inquiry. The Office of Spiritual Life coordinates activities that promote moral leadership and encourage social responsibility. It serves as a resource for prayerful and ethical reflection and refers students to local houses of worship. The Office of Spiritual Life at Simmons assists students who are asking complex questions about life and its meaning. This may involve deepening roots in a tradition of origin or exploring spirituality in a broader sense.

LOCATION AND HOURS
617-521-2489
The Office of Spiritual Life is located in the Main College Building across from Student Activities and Leadership in W009. Although exact hours for religious advisors vary, the OSL is open most afternoons. The Prayer Room in W006 is always open. The Kosher Kitchen in the basement of Evans requires a key but is available for student use.

Christian Fellowship (Rooted in Love)
The Christian Fellowship is a non-denominational Christian community that encourages students who identify as Christian to deepen their faith through Bible study, corporate worship and service projects. The student group meets monthly and is affiliated with Real Life Boston which provides a bounty of opportunities to meet students from other colleges who feel compelled to try and live the message of peace that Jesus promoted.

Hillel
Hillel is the center of Jewish life on campus. Student leaders, in conjunction with the Hillel Advisor, plan a variety of activities ranging from holiday celebrations to social and informal gatherings. Programs tend to be more cultural than religious-based and thus attract both Jewish students eager to share in their cultural customs as well as non-Jewish students interested in learning more about Judaism.

Simmons Islamic Society (SIS)
Assalamu alaikum! Simmons Islamic Society is a diverse group of women who are passionate about their faith, active in serving their community, keen on building and strengthening sisterhood, and welcoming to all. SIS is a group dedicated to supporting Muslim life on campus and encourages Muslim students to explore and deepen their relationship with their faith. The group is currently searching for an Advisor.

Catholic Student Organization (CSA)
The Catholic Student Organization at Simmons is a vibrant faith community that meets weekly for mass and prayer services. This student-led organization is dedicated to fostering community, promoting service and sharpening their sympathies to the suffering of others. The CSA Advisor helps develop student leadership and also sponsors a regular reflection group and organizes regular retreats.

Gospel Choir
The purpose of the Simmons Gospel Choir is to increase awareness of different genres of music and to celebrate the power of song. Rehearsal, traditionally, has been Monday in Alumnae Hall from 7-9pm.
